

Date 01st February 2013	 SCAA <small>Seychelles Civil Aviation Authority</small> SEYCHELLES INTERNATIONAL AIRPORT AIRSIDE NOTICE	SIA AN 01 / 2013 Temporary/ Informative
INTENDED RECIPIENTS:	All Airside Users	
SUBJECT:	Commencement of Culvert Cover Project	

This Airside Notice serves to inform all airside users of the commencement of work on the Culvert Cover Project. Works will begin on Saturday 02nd February 2013 and is expected to be completed in 12 weeks.

The project consists of covering the two water culvert situated in the runway safety strip at the Seychelles International Airport. The contractor for this project is Allied Builders.

Airside Operations will liaise closely with Air Traffic Controllers to minimize impact on operations. Necessary updates and directives will be issued by Airside Operations as and when necessary.

Please take note of the following contacts that may be useful during the implementation of the project;

The project will be co-ordinated by ACMC;
