

TROIS FRERES DISTILLERY (T/A Takamaka Bay)– Open Bar Concept

1st FLOOR INTERNATIONAL DEPARTURE LOUNGE

PROJECT NOTICE

To : Airport Users

Date of Issue : Tuesday 07th June 2022

Subject : New Airport Commercial Development Project
International Departure Lounge

Introduction

In line with SCAA's continued effort to provide new and innovative business ventures at the Seychelles International Airport, a concession contract was recently awarded to Trois Freres Distillery (Takamaka Bay) to develop and operate new open bar venture for passengers on the first floor of the international departure lounge.

The project will be undertaken by an external contractor through Trois Freres Distillery.

Timeline of proposed works

To commence on Wednesday 08th June 2022 and be completed on Thursday 30th June 2022.

Hours of work: 0800 to 1800 LT (Mondays to Sundays), additional works maybe undertaken at night.

General Scope of works

- I. Installation of a bar area at the end of the mezzanine floor.
- II. Installation of charging points for smart devices.
- III. Laying new timber flooring over tiled areas.
- IV. Installation of pre-fab furniture, fixtures and fittings
- V. Placement of seating areas.
- VI. Partitioning and branding of the stair case

Supervision of works

The SCAA Business Development and Terminal Operations officers will be conducting supervision of works.

Opening of Business

Opening has been planned for Friday 01st July 2022.
